

# Iloilo Week 2025

## UNIVERSITY OF SAN AGUSTIN

The logo captures the essence of Iloilo's culture, history, and progressive spirit while emphasizing love and unity for the community. It invites the Augustinian community to celebrate their shared identity and heritage under the theme "Iloilo Gugma sa Banwa," blending tradition, artistry, and modernity.

PRESENTS

## Parametric Horizons A GLIMPSE INTO FUTURE URBAN LIVING

This exhibit showcases the visionary design work of the  
Second-Year Architecture students of the University of San Agustin,  
under the mentorship of Design Professor Arch. Adonis C. Canonicato.  
Featuring

Modular Parametric hub within a Futuristic Smart City Urban Jungle,  
it highlights Sustainability, and Computational Design, and Technological  
Innovation. The project invisions a harmonious blend of Architecture,  
Technology, and Ecology, offering an Aspirational Model for Future  
Urban Living.

## UNIVERSITY OF SAN AGUSTIN

SINCE 1904

ILOILO CITY, PHILIPPINES

### OUR VISION

A premier academic community of life – long learners working with one mind and one heart to search for, discover and share the Truth (*Gaudium de Veritate*) for the promotion of authentic human and societal development.

### OUR MISSION

The University of San Agustin is an Augustinian, Catholic and Filipino educational institution that aims to form the members of its academic community in *Virtus et Scientia* to serve Western Visayas, the Philippines, and the world.

It is clearly revealed in its mission that the University is committed to:

1. Build an academic community imbued with Augustinian values
2. Institutionalize a culture of excellence in teaching, research and extension programs and services compliant to educational standards
3. Form an empowered, innovative, responsive, and sustainable organization.
